Dear Chinese New Year Spectacular Organizers,
Greater Philadelphia Asian Cultural Center,
and New Tang Dynasty Television,

Please accept my sincere thanks for adding to the rich multicultural atmosphere of Philadelphia. The Chinese New Year Spectacular is a fun, family-oriented, and unique celebration of the beauty and tradition of Chinese culture. It provides an educational opportunity for all those who attend, and that opportunity is extended to many more people through the efforts of New Tang Dynasty Television. In Philadelphia and throughout the world, appreciation of other cultures can only lead to positive interactions, and I truly admire the Chinese New Year Spectacular Organizers, sponsors, and participants for these important contributions.

Please extend my gratitude to all those involved in bringing this event to Philadelphia.

Sincerely,

Jack Kelly
